

Recipient: HE Governor of Haryana, Hon'ble Speaker, Haryana, Gaushala Development Officer, Director General, Committee on Petitions, Haryana Assembly, Hon'ble Chief Minister, and Hon'ble Minister

Letter: Greetings,

OIPA - Indian People for Animals along with Animal Welfare Party suggestions:

1. All crime against cow progeny should be cognizable and non bailable in legal terms.
2. Special fast track courts be introduced to try and decide, the crime against cow progeny, under time frame policy.
3. No appeal, should lie against convictions.
4. Cow progeny be prohibited to use as performing animals.
5. Cow progeny can not be treated as goods, they can't travel by weight, because they can shift as per their shape and size.
6. Vehicle be confiscated as Govt. property, if involved in crime against cow progeny and registration be cancelled at once, no superdara be allowed.
7. Vehicle owner also be booked and arrested, in crime against cow progeny.
8. IS:14904:2007 and IS:5238:2001 with IS:5236:1982 specifications and prototype for animal transportation already existed and ineffective in India because, neither vehicle manufacturing companies providing said ISI specified vehicles in open market nor passed by the Competent Authorities and animals are being shifted in goods transport vehicles, with out ISI specifications, hence non ISI vehicles be prohibited to carry animals.
9. Proof of burden on the accused instead of prosecution and pre transport permit be mandatory, as required under section 96 of the Cattle Transport Rules, 1978 amended in 2001.
10. Cow progeny export from Haryana be prohibited.
11. Section 3 of the Prevention of Cruelty to Animals Act, 1960 be strictly followed by the custodian of cow progeny, if failed then this offense be cognizable and non bailable with strong punishments in legal terms.
12. Cow progeny be declared as State animals of Haryana, in domestic animal category, where as Govt. of Bihar adopted ox as state animal.
13. Pension for old, unproductive and disabled cow progeny be introduced.
14. Feeding, treatment, care and shelter charges be framed, as required under section 35 of the Prevention of Cruelty to animals Act, 1960.
15. Male calves of cow progeny needs protection and their services can be utilized for agriculture, manufacturing of panchgavya, vermi compost, bio-gas etc.

16. All offenses against the Prevention of Cruelty to Animals Act, 1960 be cognizable, non bailable with strong punishments, in legal terms, it is further requested to introduce Haryana State Animal Welfare Act, 2014.
17. The Prevention of Cruelty to Animals (Establishment and Regulation of Societies for Prevention of Cruelty to Animals) Rules, 2001 be implemented, State and District level units be notified.
18. Infirmaries be functional, to keep cow progeny during court trails, which are required under section 35 of the Prevention of Cruelty to Animals Act, 1960.
19. All offenses against the Prevention of Cruelty to Animals (Transport of Animals on Foot) Rules, 2001 be cognizable, non bailable in legal terms along with strong punishments.
20. The Prevention of Cruelty to Animals (Registration of Cattle Premises) Rules, 1978, The Transport of Animals Rules, 1978, The Prevention of Cruelty to Draught and Pack Animals Rules, 1965, amended 1968 and The Prevention of Cruelty to Animals (Licensing of Farriers) Rules, 1965 also needs amendment.
21. Animal Welfare Board of Haryana along with the Haryana Gau Seva Ayog be constituted under the Chairmanship of Naresh Kadian.
22. Animal rights and their welfare subject be introduced in all Educational Institutions, slaughtered animal skin and leather be prohibited.
23. Animal abuser be directed not to possess the custody of animals during court trials, if convicted then permanently debar the possession of animals till the convicted person last breath.
24. Bans the import of the machines that are used for the slaughtering of animals / cows? In fact the BJP government has increased the subsidy on the import of these equipments from 6% to 10%.
25. Implement the National Cattle Commission Report, 2002.
26. Implement the recommendations of the Rajya Sabha Committee on Petitions about ban on meat export from India.
27. Prohibit cow-ox-bull leather, horn and bones items under the purview of Khadi and Village Industries Commission because these are the bio products of slaughter houses, which is a negative list activity.
